IFPEN will be present at **ROG.e 2026**, the major energy event taking place from September 21 to 24 in Rio de Janeiro.

ROG.e is a unique event covering the many facets of the energy sector; it enables key players to meet and forge partnerships, while allowing emerging innovations to be deployed more rapidly on a large scale.

Come and meet **IFPEN** and its subsidiaries—**Axens, Beicip-Franlab, and IFP Training**—at their booth. Together, these four entities cover the entire innovation value chain:

- research and innovation (**IFPEN**)
- technologies and industrial services (**Axens**)
- consulting and digital solutions (**Beicip-Franlab**)
- professional training (**IFP Training**)
