

Responsible oil and gas

Petrochemicals

## PETROCHEMICALS OUR STRENGTHS

Recognized expertise in the field of **catalysis, separation and processes**.

Integration in a **public-private partnership ecosystem** with the collaborative platform [Axel'One](#).

**A proven transfer model**

in which IFPEN's innovations are taken to

market by its industrial partners, who handle industrial scale-up and marketing. Its subsidiary [Axens](#) is one such example.
